Advance-Nilfisk Parts - Imagine how long and tedious it will actually be to tidy up after a party, without assistance from equipment. Previously, the dirt from carpets and upholstery had to be beat out of them manually; cleaning cloths, brooms, and brushes were the top cleaning products at the time.

The founder of Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who liked to work on electrical motors. After establishing his business during the year 1906, he started to make motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the beginning was to own a worldwide company selling merchandise internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single person. This creation came in a time where many cleaning equipment were massive and required 4 or more operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing problem; things get filthy and need to be cleaned on a regular basis, without a lot of effort.

Slowly but steadily, Nilfisk-Advance developed through the decades. During the nineteen eighties, this development really happened the time the company became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the trade, aspiring to be amongst the leading international players in the market of professional cleaning equipment. Nilfisk-Advance is presently found in all parts of the globe by gradually acquiring lots of small businesses so as to expand their product selection and presence in new markets. They are proud to offer a range of cleaning solutions to fit every need.
